PROJECTS

personal portfolio website
- As a web developer, I created a personal portfolio website to showcase my skills, projects, and achievements.

Dynamo Fitness Website
- Designed and developed the Dynamo Fitness website, offering innovative fitness programs, global community engagement, and seamless online booking for stress-free parking experiences in Colombo

Car Parking Platform
- Created an intuitive online platform for Colombo Space Parking, streamlining parking reservations for a hassle-free and secure experience.

Clothing E-commerce Website
- Developed a dynamic e-commerce site for clothing, offering a user-friendly interface for browsing and purchasing products.

Image gallery
- Implemented an image gallery, showcasing a collection of visual content in a user-friendly and visually appealing format.
